

A Complex Man

A simple man,
a subtle man,
a thoughtful man am I.
Ha ha, ha ha, ha ha, ha ha,
I'm more than meets the eye.

A creepy man,
a carnal man,
a callous man am I.
Walla, walla, walla, walla!
I sometimes need to sigh.

Artistic man,
poetic man,
a sing-song man am I.
Trala, Trala, Trala, Trala!
I sometimes vocalize.

A silent man,
a frozen man,
a selfish man am I.
Boo-hoo, Boo-hoo, Boo-hoo, Boo-hoo!
I sometimes want to cry.

A holy man,
unholy man,
a spiritual man am I.
Al-LE-luia, al-LE-luia!
I sometimes touch the sky.

A morbid man,
a frenzied man,
a downcast man am I.
O my, o my, o my, o my!
I sometimes want to die.

A touchy man,
a fragile man,
a delicate man am I.
I told you so, I told you so,
I'm more than meets the eye.
