

Pilgrimage

Our pilgrimage was first begun
Before creation made its run;
For God had you and me in mind
Before there was created time.
In Romans eight, verse twenty-nine
God had us clearly in his mind.
He formed our image very new,
For there it says He us 'foreknew'.
He also formed for us a plan,
So long before we came on land;
Before the sky or earth or sea,
it says that He 'predestined' me.
